

# ALMA mm/submm - new great observatory!

## *Now open for solar business!*

- “Commissioning” papers now drafted
  - White et al. on total-power measurements
  - Shimojo et al. on interferometry
  - Brajsa et al. on European perspective
- Cycle 4 solar observations mostly complete
- Cycle 5 proposals imminent (bands 3, 6)

149-point mosaic “feathered”
